

BioDolphin Suction Kit

Features

- **User-friendly lock switch design**
BioDolphin’s ergonomic handle and friendly designed lock switch can keep continuous suction without pressing button all the time.
- **Single-handed tip ejection**
The innovative tip ejection design enables tip ejection by single hand easily.
- **Quick fitting change**
Quick connection coupling between fitting and handle can make any fittings replaced quickly.
- **Multi-functional storage rack**
Exclusive designed rack can accommodate all the fittings in order. A built-in liquid collection tray can receive liquid residue dripping from the fittings.
- **Autoclavable**
The complete kit except rack are made of POM and stainless steel material available for autoclave.
- **Two-Year Warranty**
